Child Care Requirements

For your children's protection and the protection of our staff, we cannot allow children under the age of 14 years old to be left in our front office unattended. Nor can we allow children in the working area if the dentist is not treating them.

As you know, we make every effort possible to schedule appointments that are convenient for you and that fit your personal schedule. In return, we are asking that you please provide supervision for your child/children if you are going to be treated.

If you show up for a scheduled appointment without proper supervision for your child/children, your appointment will be rescheduled and you may be charged for a broken appointment.

We value you as a respected member of our dental family, and your cooperation in this matter is greatly appreciated.

Sincerely,

Mary Spakes
Administrative Assistant
